Vaccination UK

Thank you for your response

Hello Emma,

We have successfully received your consent response for a child with the initials "JM" not to receive the Flu vaccination at **St Stephen's CofE Rsa Academy**.

It is your responsibility to let Vaccination UK know of any changes in your child's health, medication or if they have received a vaccination from an alternative provider since the consent form has been completed as the vaccination will be given based on this consent.

Reference code: **VUKMID_F_Wed_Sep_13_2023_14331**

We are now processing your form and will be in touch if we have any questions.

While you are here...

We would be grateful if you could take a couple of minutes to give some feedback on our consent process and VUK's school immunisation service. To complete our short survey, please click on this link:

<https://www.surveymonkey.com/r/fluseason2022>

We really appreciate your response, every one of them helps inform and improve our service.

If you would like to make any enquiries about your consent response, please call **Vaccination UK** on **01527 390030** or email us using Worcestershire@v-uk.co.uk.
